

MCN

The American Journal of Maternal/Child Nursing

BY SUBJECT

A

Abuse

Screening for abuse during pregnancy (Higgins, Hawkins), 109

Adolescents

Across the fertility lifespan: Desire for pregnancy at conception (Aquilino, Losch), 256

Effectiveness of adolescent smoking prevention strategies (Krowchuk), 366

Impact of epilepsy on the adolescent (Marin), 321

Parenting needs, goals, and strategies of adolescent mothers (Stiles), 327

Tailoring STI and HIV prevention programs for teens (Kelly, Lesser, Smoots), 237

Adoption

Journey to Anna and Marie (Stoeckle), 166

AIDS

Tailoring STI and HIV prevention programs for teens (Kelly, Lesser, Smoots), 237

Alternative and Complementary Therapies

Herb use during pregnancy (Born, Barron), 201

Analgesia

Nurses' knowledge, attitudes, and practices regarding children's pain (Vincent), 177

Asthma

Children with asthma: A concern for the family (Kumar, Edelman, Ficorelli), 305

B

Bereavement

Evidence for healing interventions with perinatal bereavement (Capitulo), 389

Breastfeeding

Medications in pregnancy and lactation (McCarter-Spaulding), 10

C

Childbirth. *See also* Perinatal Nursing

The context and clinical evidence for common nursing practices during labor (Simpson), 356

Does practice make perfect? Not always (Simpson), 280

Emergency drills in obstetrics (Simpson), 220

Failure to rescue in obstetrics (Simpson), 76

Intrauterine resuscitation during labor (Simpson), 344

Red alert: Perinatal hemorrhage (MacMullen, Dulski, Meagher), 46

Children

Children with asthma: A concern for the family (Kumar, Edelman, Ficorelli), 305

Early intervention for children and families with special needs (Blann), 263

Family functioning and hope in children with juvenile rheumatoid arthritis (Connelly), 245

Journey to Anna and Marie (Stoeckle), 166

Screening for infant's and toddler's dietary quality through maternal diet (Lee, Hoerr, Schiffman), 60

What are the responses and needs of mothers of infants diagnosed with congenital heart disease? (Upham, Medoff-Cooper), 24

Chronic Illness

Children with asthma: A concern for the family (Kumar, Edelman, Ficorelli), 305

Early intervention for children and families with special needs (Blann), 263

Family functioning and hope in children with juvenile rheumatoid arthritis (Connelly), 245

Impact of epilepsy on the adolescent (Marin), 321

What are the responses and needs of mothers of infants diagnosed with congenital heart disease? (Upham, Medoff-Cooper), 24

Colic

An intervention program for families with irritable infants (Keefe, Barbosa, Fretz, Kotzer, Lobo), 230

Parental perceptions and lasting effects of infant colic (Eliett, Schuff, Davis), 127

Complimentary/

Alternative Therapies

Herb use during pregnancy, 201

Computers. *See* Networking

Congenital Abnormalities

Early intervention for children and families with special needs (Blann), 263

What are the responses and needs of mothers of infants diagnosed with congenital heart disease? (Upham, Medoff-Cooper), 24

Continuing Education

Basal body temperature assessment: Is it useful for couples seeking pregnancy? (Barron, Fehring), 290

Early intervention for children and families with special needs (Blann), 263

Extrauterine growth restriction: A continuing problem in the NICU (Coverston, Schwartz), 101

Extremely low birth weight infants: issues related to growth (Carroll, Slobodzin, Steward), 312

Global maternity mortality: Contributing factors and strategies for change (Callister), 185

Herb use during pregnancy (Born, Barron), 201

index

Medications in pregnancy and lactation (McCarter-Spaudling), 10
 Mother-infant co-sleeping (Mesich), 24
 Tailoring STI and HIV prevention programs for teens (Kelly, Lesser, Smoots), 237
 Web sites for postpartum depression (Summers, Logsdon), 88

Contraception. See Family Planning

Correspondence, 141

Co-sleeping

Mother-infant co-sleeping (Mesich), 24

Cultural Issues. See Transcultural Nursing

D

Delivery. See Childbirth; Perinatal Nursing

Depression

Acculturation level and postpartum depression in Hispanic mothers (Beck, Froman, Bernal), 299
 Are you often sad and depressed? Brief measures to identify women at risk for depression in pregnancy (Jesse, Graham), 40
 Web sites for postpartum depression (Summers, Logsdon), 88

Development. See Growth and Development

Domestic Violence

Screening for abuse during pregnancy (Higgins, Hawkins), 109

Drug Therapy

Herb use during pregnancy (Born, Barron), 201
 Medications in pregnancy and lactation (McCarter-Spaudling), 10

E

Editorials

Another hero for all of us (Freda), 287
 500 pieces of evidence (Freda), 83
 Here's to heroes for nursing, 226
 Hey, nineteen (Freda), 158
 MCN at it's 30th year (Freda), 350
 The Solution? (Freda), 6

Education. See Nursing Education; Patient/Family Education

Evidence-Based Practice

Abuse-related post-traumatic stress during the childbearing years (Callister), 72
 Becoming a mother versus maternal role attachment (Freda), 145
 Childbearing in U.S. military hospitals: Dimensions of care affecting women's perceptions of quality and satisfaction (Wood), 340
 Community neonatal nursing (Beal), 144
 Content and processes of postpartum counseling after a distressing birth experience (Tiedje), 217

Cost effectiveness of postnatal home nursing visits for prevention of hospital care for jaundice and dehydration (Tiedje), 216

An environmental intervention to promote lower-fat food choices in secondary schools: Outcome of the TACOS Study (Hayman), 70

Feeding issues for mothers of very low-birth-weight premature infants through the first year (Beal), 144

Fertility and parental consent for minors to receive contraceptives (Tiedje), 216

Fluoxetine, cognitive-behavioral therapy, and their combination for adolescents with depression (Hayman), 71

Gender, ethnicity, and the interactions of prematurely born children and their mothers (Beal), 145

Getting to know you: Mother's experiences of kangaroo care (Beal), 338

How delivery ward staff exercise power over women in communication (Callister), 70

Implications of kangaroo care for growth and development in preterm infants (Beal), 338

Improving follow-up for children with asthma after an acute emergency department visit (Lipman), 218

The infant caring process among Cherokee women (Callister), 71

Inflammation, insulin, and endothelial function in overweight children and adolescents: the role of exercise (Hayman), 275

Influence of income, education, age, and ethnicity on physical abuse before and during pregnancy (Freda), 146

The meaning of the nurse's presence during childbirth (Callister), 276

New low- and high-tech calendar methods of family planning (Wood), 340

Overweight among low-income preschool children associated with consumption of sweet drinks: Missouri, 1999-2002 (Hayman), 275

Personality functioning: The influence of stature (Lipman), 218

Racial and ethnic disparities in early childhood health and healthcare (Hayman), 276

Rate of palivizumab administration in accordance with current recommendations among hospitalized children (Freda), 146

A reliable pain assessment tool for clinical assessment in the NICU (Beal), 339

To reproduce or not: HIV-concordant couples make a critical decision during pregnancy (Callister), 274

Supporting women in labor: Analysis of different types of caregivers (Wood), 339

Trends in blood pressure among children and adolescents (Hayman), 72

Understanding women's journey of recovering from anorexia nervosa (Callister), 274

Unsafe and violent behavior in commercials aired during televised major sporting events (Lipman), 217

F

Family Adaptation

Acculturation level and postpartum depression in Hispanic mothers (Beck, Froman, Bernal), 299
 Children with asthma: A concern for the family (Kumar, Edelman, Ficorelli), 305

Early intervention for children and families with special needs (Blann), 263

Effects of high-risk pregnancies on families (Sitner, DeFraia, Hudson), 121

Family functioning and hope in children with juvenile rheumatoid arthritis (Connelly), 245

Impact of epilepsy on the adolescent (Marin), 321

An intervention program for families with irritable infants (Keefe, Barbosa, Fretz, Kotzer, Lobo), 230

Lack of preparedness: Experiences of first-time mothers (George), 251

Parental perceptions and lasting effects of infant colic (Eliett, Schuff, Davis), 127

Parenting needs, goals, and strategies of adolescent mothers (Stiles), 327

Parenting preterm infants: A meta-synthesis (Swartz), 115

Family Planning

Across the fertility lifespan: Desire for pregnancy at conception (Aquilino, Losch), 256

Basal body temperature assessment: Is it useful for couples seeking pregnancy? (Barron, Fehring), 290

Fathers. See Family Adaptation; Parenting

Fertility/Infertility

Basal body temperature assessment: Is it useful for couples seeking pregnancy? (Barron, Fehring), 290

Feeling normal: Women's experiences of menopause after infertility (Olshansky), 185

Fetal Demise. See Perinatal loss

G

Grief

Evidence for healing interventions with perinatal bereavement (Capitulo), 389

Growth and Development

Early intervention for children and families with special needs (Blann), 263

Extrauterine growth restriction: A continuing problem in the NICU (Coverston, Schwartz), 101

Extremely low birth weight infants: issues related to growth (Carroll, Siobodzan, Steward), 312

H

Health Promotion

Effectiveness of adolescent smoking prevention strategies (Krowchuk), 366

Thirty years of maternal-child health policies in the community (Tiedje), 373

Herbal Remedies

Herb use during pregnancy (Born, Barron), 201

HIV Infection

Tailoring STI and HIV prevention programs for teens (Kelly, Lesser, Smoots), 237

I

Infant Nutrition. See Nutrition

Infants

An intervention program for families with irritable infants (Keefe, Barbosa, Fretz, Kotzer, Lobo), 230

Lack of preparedness: Experiences of first-time mothers (George), 251

Mother-infant co-sleeping (Mesich), 24

Parental perceptions and lasting effects of infant colic (Eliett, Schuff, Davis), 127

Screening for infant's and toddler's dietary quality through maternal diet (Lee, Hoerr, Schiffman), 60

Infants, Newborn

- Evidence for best practices in the neonatal period (Beal), 397
Extrauterine growth restriction: A continuing problem in the NICU (Coverston, Schwartz), 101
Lack of preparedness: Experiences of first-time mothers (George), 251
What are the responses and needs of mothers of infants diagnosed with congenital heart disease? (Upham, Medoff-Cooper), 24

Infants, Preterm

- Evidence for best practices in the neonatal period (Beal), 397
Extremely low birth weight infants: issues related to growth (Carroll, Slobodzin, Steward), 312
Feeding readiness in preterm infants (White-Traut, Berbaum, Lessen, McFarlin, Cardenas), 52
Parenting preterm infants: A meta-synthesis (Swartz), 115

Infertility. See Fertility/Infertility
